Someone with knowledge of all applicable export regulations should complete this form. With exception to numbers 3 & 9, all fields must be completed. If we feel that any information is incorrect your shipment will be put on hold until questions are resolved and a corrected form is received. If you have any questions, feel free to contact me at 716-694-7060 or [Derek@aeroinst.com](mailto:Derek@aeroinst.com).

Derek Wisnieski  
Import/Export Manager  
Aero Instruments & Avionics, Inc.

## **Instructions**

- 1) For purposes of this form, we are using the definition of exporter as referred to in FTSR 30.4 (a)(1), which means that you (our customer) are the primary benefactor in this export transaction and Aero Instruments & Avionics, Inc. is only acting as a forwarding agent.**
- 2) Ship to address.**
- 3) Ultimate end-user of component.**
- 4) Enter Part Number & Serial Number of component.**
- 5) Check yes or no if all parties in the export transaction were checked against all BIS, DOS, OFAC and all other applicable denied party lists.**
- 6) Select the type of transaction. The type of transaction could affect the Schedule B#.**
- 7) Enter value of shipment.**
- 8) Enter Schedule B#. Please note that we will accept very few (if any) 8803.30.0010 numbers. Most LRU's fall into other headings in the Schedule B.**
- 9) Enter ECCN#.**
- 10) An AES ITN# will be required if your shipment value is over \$2500.00.**
- 11) Enter your printed name.**
- 12) Enter your signature.**
- 13) Enter your company title.**
